Those who bid are bound by those Terms and Conditions of the Sale, as amended by any oral announcement, published or posted notices, which together form the contract of the sale between the successful bidder (buyer), MORPHY'S and the seller (consignor) of the lot.

TERMS OF SALE

The consignor and we make no representation or warranty as to whether the purchaser acquires any reproduction rights in the property. All items are sold for display purpose. TERMS & CONDITIONS

o Individuals: Law requires a completed Form 4, or Form 5 for deactivated guns. MORPHY'S will prepare and sign the front of the applicable transfer form, and send to the individual buyer. Individual is responsible for completing requirements for fingerprints, photo, and a fee of \$200 per item, as well as completing applicable portions of the reverse side of the form. Estimated time for processing and approval of Form 4 is 9-12 months.

- Long guns will only be sold to persons 18 years of age, or older. Handguns will only be sold to those persons 21 years of age, or older. Dealers are bound by these minimum age requirements.
- Since all firearms sold are "collectible" items, MORPHY'S does not test the safety or warrant functionality of these firearms. All firearm purchases should be examined by a certified gunsmith prior to shooting.
- MORPHY'S reserves the right to deny the sale of a firearm to any buyer.

GOODS MADE FROM OR CONTAINING MATERIALS FROM PROTECTED SPECIES - MORPHY'S does not accept any responsibility or liability for the sale of items containing materials from protected species or for any omission in marking or labeling goods as containing materials from protected species. Such material includes, but is not limited to, ivory from elephants and walrus, tortoise shell, crocodile skin, whalebone, rhinoceros horn, some species of coral and certain woods. Restrictions on the importation, exportation, sale, transfer, and/or possession of goods containing materials from protected species derive from international, federal, and state laws and regulations promulgated thereunder. Laws include, but are not limited to, the Convention on International Trade in Endangered Species of Flora and Fauna (CITES), the Endangered Species Act (ESA) and the Marine Mammals Protection Act (MMPA). States currently restricting trade of protected species include, but are not limited to, California, New York and New Jersey.

Prospective buyers are on notice that several countries completely prohibit importation of property made, all or in part, of protected materials. Some countries require special permits, such as a CITES permit, from the relevant regulating authority in the countries of exportation and importation as well. Potential buyers intending to import the property into another country should be familiar with the relevant customs laws and regulations prior to bidding on goods containing material from protected species. Regulations may vary as the U.S. generally prohibits importation of articles containing material(s) from species it has designated endangered or threatened if the articles are less than 100 years old, subject to certain exceptions.

It shall be the potential buyer's sole responsibility to research and satisfy the requirements of any laws and regulations that apply to the import and export of property as described in the aforementioned paragraphs. All buyers agree to comply with any and all domestic and international restrictions on the trade of protected species as a condition of the sale. Please note that the ability to obtain an export license or certificate does not ensure the ability to obtain an import license or certificate in another country, and vice versa. It is the buyer's responsibility to obtain any export or import licenses and/or certificates as well as any other required documentation. MORPHY'S is not able to assist the buyer in attempting to obtain the

appropriate licenses and/or certificates, and there is no assurance that an export license or certificate can be obtained. The inability or delay in obtaining permits, licenses or other permissions to import or export goods containing material from protected species will not constitute a basis for rescission or cancellation of the sale of said goods or the delay in payment of purchased items in accordance with these Bidder Terms and Conditions.

This continues until the auction officially closes the morning after the auction closing date at 8AM EST even if there still is bidding happening per the 15-minute rule. If at any point, there is only one remaining bidder during the 15-minute rule period, that bidder will be declared the winner of that item. In the event that two bids of the same increment are placed on an item, the first bid will be honored.

SALES TAX

MORPHY'S is required to collect sales tax where our company established nexus in the previous year. Sales tax rate will be charged by law on behalf of the state and locality where the customer of record takes possession of their purchase. Lots are subject to all applicable state and local taxes, unless appropriate permits are on file with MORPHY'S including lots delivered to you, or your representative. It is the bidder's responsibility to know the sales tax rate applicable. As a convenience, here is a resource to find your applicable sales tax: <https://www.taxjar.com/sales-tax-calculator>. Bidder agrees to pay MORPHY'S the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by MORPHY'S five days prior to Auction, or tax must be paid; only if such form or certificate is received by MORPHY'S within 4 days after the Auction can a refund of tax paid be made. Lots from different auctions may not be aggregated for sales tax purposes.

PAYMENT, INTEREST & STORAGE FEES

Invoices will be auto charged to the credit card used during your registration for the full amount due once shipping has been added, usually within 24 hours following the auction. A copy of the paid invoice will be sent by email. It is the buyer's responsibility to obtain and send any additional information necessary, including FFL information, to initiate transfer and shipping. Interest will be charged on all balances not paid at the rate of 1-1/2% monthly (18% APR) effective 30 days from the invoice date. All goods not retrieved by Buyer within 45 days after the invoice date, shall be subject to a daily storage fee as follows: \$5/day per regular sized item or \$10/day per oversized item. Buyer authorizes MORPHY'S to sell, at their standard commission and consignment contract terms, any goods not retrieved after a 90-day period in any manner deemed appropriate by MORPHY'S and the proceeds will be applied to any outstanding balance due from the buyer.

In the few situations where a successful bidder does not remit payment when due, MORPHY'S will proceed with the legal steps necessary to protect its interests and will block the bidder from future auction participation.

PACKING/SHIPPING

- It is the bidder's responsibility to take shipping, handling, and insurance costs into consideration when bidding on items.
- **BIDDERS PRESENT AND TAKING ITEMS AFTER AUCTION** – Since item liability transfers upon a successful bid, items paid for must be packed, transported and/or removed by the buyer at his/ her own risk after the close of the sale. We recommend that you arrange insurance for your items immediately upon becoming the highest bidder. BIDDER

TERMS & CONDITIONS

- **SHIPPING TERMS** - MORPHY'S will ship items to the buyer at the listed address via UPS or other carriers, FOB Denver, Pennsylvania or FOB other auction locations. Any risk of loss or damage to the item(s) during transit via UPS, or any other carrier, in excess of the insurance provided by or purchased from MORPHY'S, is at the risk of the buyer. Any additional insurance coverage should be purchased by the buyer through the carrier. Buyer releases MORPHY'S from any and all claims for loss or damage to any item during transit and agrees to pay all costs of defense, including attorney's fees, for any claims brought against MORPHY'S for loss or damage occurring during transit.
- **INSURANCE** - Shipping insurance is automatically added, which you can decline by contacting us and providing a signed waiver of insurance form. Insurance for all 3rd party shipments must be arranged through that carrier. Insurance provided or purchased through MORPHY'S applies only to shipments to the United States and Canada. Buyers must purchase their own insurance for shipments to other countries.
- **INTERNATIONAL SHIPMENTS** – MORPHY'S welcomes our international customers. MORPHY'S can provide upon request a complete process and set of recommended company contacts with whom the Buyer can work to understand the steps, timing, and cost to acquire items at auction. It shall be the potential buyer's sole responsibility to research and satisfy the requirements of any laws and regulations that apply to the import and export of property and for paying all shipping costs, customs and duties on the items. - **3RD PARTY SHIPPING OF OVERSIZE ITEMS** – Buyers will need to either pick up the items personally or arrange a 3rd party shipping service for oversize items. As a general guideline, the following will indicate which packages apply, as they are of a certain weight, length, or dimensional size.
 - Dimensional size is length (the longest measurement) + (height x 2) + (width x 2). For example a 36" x 36" x 12" package = 36 + (36 x 2) + (12 x 2) = 132"
 - USA home shipments must be <70 lbs. and <108" length and <165" dimensional size
 - USA business shipments must be <150 lbs. and <108" length and <165" dimensional size
 - International shipments must be <150 lbs. and <108" length and <130" dimensional size
 - There may be certain shipments that meet these requirements that will still require 3rd party shipping, and we will communicate the reason in those cases.
- **3RD PARTY SHIPPING OF BREAKABLE ITEMS** - MORPHY'S reserves the right to choose items and orders that it will pack, ship, and/or insure directly using our shipping department. Those items that MORPHY'S will not ship will require that the buyer either pick up the items personally or arrange a 3rd party shipping service. Examples of items that may apply after determination by our shipping department include but are not limited to: items with neon of any type (working or non-working), all glass display cases of any size; coin-operated, arcade and vending items with fragile parts and/or glass; signs with parts or protrusions beyond the main body of the sign, oversized vases (guideline – larger than fit in a 20" x 20" x 40" box), high value lamps and glass of all sizes, high value artwork including but not limited to paintings, statuary, sculpture, figurines, dioramas, and other intricate items; and items subject to impact by moisture and known handling issues in the supply chain. - responsible for shipping damage to picture frames of any kind.
- For any buyers who wish to arrange for their own shipping, MORPHY'S must be notified at least seven (7) days prior to arrival of the shipping company name, arrival date and time. Pickup must be scheduled to begin and end within our normal business hours (9am – 4pm weekdays). Buyers must arrange weekend pickups in advance with MORPHY'S staff, and additional charges may be necessary for overtime. All 3rd party shippers must arrive with a copy of the invoice.
- **STORAGE FEE** – MORPHY'S will charge a daily storage fee of \$5/day per regular sized item or \$10/day per oversized item for any items awaiting pickup for more than 45 days following the invoice date. Buyer authorizes the MORPHY'S to sell, at their standard commission and consignment contract terms, any goods not retrieved after a 90-day period in any manner deemed appropriate by MORPHY'S and the proceeds will be applied to any outstanding balance due from the buyer.
